Customer Reviews

Very nice indeed. Excellent selection, but more fingering suggestions would have been helpful.

More for the upper intermediate to advanced player.

Some incorrect notation of music notes for example the some 32nd notes in the slow part of prelude X in the 1st book are incorrect.

This is a great edition. It is just what I wanted.

good

A classic, easy to read.

I bought this item for a friend and he really loves these compositions.

Great transcription.

Ordered for my wife to replace a very old and worn book.
