Bella Loves Bunny (David McPhail's Love Series)

Synopsis

A companion board book to Ben Loves Bear, Bella Loves Bunny shares the sweet story of friendship between a little girl and her beloved stuffed bunny rabbit, from morning till night. Bella and Bunny do everything together. In the morning, they play piano and dance (and hop!). In the afternoon, Bella has lunch and Bunny has carrot cake. At night, they pick out Bella's favorite pajamas and snuggle close until they fall asleep. McPhail's simple text and heartwarming illustrations come together to make an irresistible book that young readers will fall in love with.

Customer Reviews

This book is ideal for tiny tots because it has hard/stiff pages. My granddaughter (Bella) loves to carry this book around with her and asks me to read it to her all the time. She is 2 yrs old. My Bella also loves bunnies.

My granddaughter loves this book. She wants it read to her over and over.

I liked the book as I saw it - but it went straight to grandchildren and not sure if parents are reading

it. I would love to see a small bunny designed to go with - as well as a small bear to go with the Ben Loves Bear book. A small creature to hold with each book. Just a thought. Thank you

Love these sweet and simple stories (we have the whole series). Appropriate for newborns and well into the toddler months/years. My older child loves to expound on the details in each illustration and knows the words by heart.

My 2yo's favorite book!

This is one of my kids favorite books.

Gentle and peaceful interchange between Bella and her bunny through daily activities. Pictures are sweet and granddaughter loves the book.

My Review: This is a cute sweet board book about the bond between a little girl Bella and her stuffed Bunny. This book shows how much Bella loves Bunny from the time she wakes up and says "Good morning" to Bunny and Bunny wiggling her nose, Bunny bouncing on the bed to Bella catching her. As they spend time together smelling flowers to planting seeds, twirling, skipping and enjoying rides to picking out night gown, to getting ready for bed. "Goodnight, Bella. Goodnight, Bunny." The softly hued illustrations remind me of Dick and Jane books soft, warm and beautiful colors. This is a great book for younger kids. FTC Disclosure: I received a review copy of this book from Abrams Appleseed in exchange for a fair and honest review. I was not monetarily compensated for my opinion in any way.
