He is a specialist in Russian language teaching and course design, with very wide experience at university and school levels and in examining. He has been active over many years in the promotion of Russian and modern languages generally. Current wording on this item is not clear. You will only get the cds and no book. This is not the course this is audio only!!!!!!

As described

I am posting this review merely to underscore the fact that the BOOKS and the two 2 CDs

accompanying the Routledge Intensive language courses are often SOLD SEPARATELY. This is often NOT CLEAR on and other websites. For those of you who purchase the CDs only, you can often find the TRANSCRIPT of the Routledge Intensive courses on the Routledge website. Translations of the Routledge Intensive dialogues are not offered either in the text books or in the transcripts on the website.

An interesting course and one you will find that you really will learn Russian quickly. I would really like the CD to speak ALL the Russian text in the book as I find learning by ear much easier than by reading.
