Wonderful Wire & Bead Crafts

Synopsis

From the radiant glow of a bracelet to the whimsical glimmer of a palm tree sculpture, beads and wire make irresistibly beautiful crafts. Fifty projectsâincluding jewelry with healing propertiesâshowcase the versatility of these two wonderful materials. â[A] fabulous book that every creative artist should have. I love the variety of these projects. There are so many great ideas, you may be inspired to keep creating!âExpression.

After using Wonderful Wire Works, which is a WONDERFUL book, I was so disappointed in this one. Most projects look tacky and amateurish. Even in the well constructed photos, if you look closely at the objects, they look clumsy and even tacky. If you want to learn to use wire, get Wonderful Wire Works. Many of those projects can have beads added or already have beads on them. This book looks like the projects were the "throwaways" from her other book.
