My boys love these books!

Another great book by Jerry Pallotta. My child loves animal facts so the "Who Would Win" series is perfect.

My 7 year old loves to read these books. He loves to learn new facts about animals.

The Who Would Win books are my absolute favorite of all time! They make learning about each animal more relevant by comparing the two and then save the "fight" for the end (which is tame, don't worry). My 3 and 5 year olds love these books and we do too!

:)

My kid loves these series. They encourage him to read and he loves they are full of interesting info. The content of the books is very well laid out. They could be sturdier

My boys love these books!

A weird series to be sure but the kids love it! Really fuels the imagination
