Good jumpstart recipes to go along with the book, Goodbye Lupus.

This book is an easy fast read. Although the information is pretty basic, it has helped me tremendously to start a new eating plan and after just a few weeks I can already see and feel a difference. Going to keep going with it! It helps to read about someone else's journey with Lupus and how much diet can help and makes me feel hopeful.

Simple and delicious!

Expected a bigger book but liked what was in it.
