Book by John Heine, Jolie Bookspan, Peter Oliver

best book for Master, Dive Master, or Instructor. Buy it before you do you FIT. If you have a copy, buy an extra to keep in your dive bag

last time i went diving in the Philippines was 10 years + ago, and haven't gone diving after moving here to the US. this book is a refresher for a certified master scuba diver like me. thank you

It gave me all the info I needed to pass the test. I passed my Master Divers Test. The test it self was a pain in the rear, the book got me through it.

As promised.
