Night Train To Nashville: Music City Rhythm & Blues, 1945-1970

Synopsis

Night Train to Nashville: Music City Rhythm & Blues: 1945--1970 focuses on a vibrant, little-known chapter in the affirmation of Nashville's title as Music City USA. This book illuminates an important era in Nashville's music history, when cultural icons such as Little Richard and Jimi Hendrix apprenticed on Nashville bandstands; Etta James recorded her scorching live album *Etta James Rocks the House* at Nashville's New Era club, and Arthur Gunter recorded the R&B classic "Baby Let's Play House" for the renowned Nashville blues label Excello Records; radio station WLAC blasted R&B across late night airwaves, and station WSOK (later WVOL) became one of the country's first to adopt an all-black format; R&B singer-songwriters such as Jimmy Sweeney collaborated with Music Row musicians such as Hank Garland, Boudleaux Bryant, and Floyd Cramer. Published in conjunction with the Country Music Hall of Fame and Museum's special exhibition, the book features over 80 photos, artifacts, posters, ephemera, and quotes from the authorities of the era.

This is really not a "book" per say but a large pamphlet. It's a fun read! Very informative and lots of great pictures. From someone who grew up in Nashville and remembered the scene it sure is fun to reminisce. Was worth the purchase. I really enjoyed it.

Piece of history

Great program.
