A Cup Of Christmas Tea/A Memory Of Christmas Tea

Synopsis

"If you find you have some time, how wonderful if we could have a little chat and share a cup of Christmas tea." A man receives an invitation from his elderly, ailing aunt and doesn't want to go. It's the midst of the Christmas rush, and who needs the aggravation? The depression? The strain? Driven by guilt, he visits her anyway, and rediscovers the true meaning of Christmas. Tom Hegg wrote *A Cup of Christmas Tea* in 1981, when his pastor asked him to write something for his church's 125th anniversary. Drawing on childhood memories, he composed a straightforward, sentimental poem that brought tears to his audience's eyes. First published in 1982, it's been a seasonal best-seller ever since. *A Memory of Christmas Tea*, published in 1999, is the heartwarming sequel. Revisiting the themes of *A Cup of Christmas Tea*, it gently reminds us of the important things in life—such as taking time for loved ones.

Customer Reviews

TOM HEGG is a writer, teacher, and actor. He performed for many seasons at the Guthrie Theater in Minneapolis and currently teaches drama to students in grades 7-12. He and his wife Peg live in Eden Prairie, Minnesota.

I first heard the reading "A Cup of Christmas Tea" when it was played on a local radio station's morning show in the weeks before Christmas. This was probably 20-25 years ago.....I still enjoy hearing it every holiday season. It is probably more appealing to those over 50 years of age as we see the years dwindling down to a precious few, and we are losing more of our elderly family

members. I never knew any of my "great-aunts", but this reading still brings tears to my eyes every single time I play it. Basically, it is about a man's life being too busy to try to work in a visit to an elderly great-aunt who adored him as a child. When he does make the visit, the memories of his younger years at her house come vividly back to him and he realizes the importance of making time to visit with family. The "sequel" A Memory of Christmas Tea was a pleasant addition to "Cup" that I didn't know existed until I found it here on .com! They are absolutely delightful holiday fare!

The CD was scratched so I was very disappointed. :(I'm supposed to return it to the vendor but I can't find the packing slip. I have the books & the stories are wonderful. I just wanted the CD to play for small groups at work.

I heard this story years ago and had cassette. Just updated to CD. Think I will purchase a few more for gifts.

My CD arrived with background scratch noise, it plays but I am not particularly happy with the quality.

The story itself is wonderful. The story of a young man who feels obligated to visit his aunt who has had a stroke and is not the same person that she was when she hosted the Christmas get togethers in the past. Or is she? You will be delighted with the author's telling of his tale. His voice conveys the feelings and the story takes you there. To the family gatherings of your past and to the people who were so important to them. A wonderful Christmas story and a delightful Christmas Gift.

A favorite Christmas poem of mine which is read by the author. It is no longer being produced so I found this used dvd and it is in excellent condition.

Heard this story so many years ago and it is just as wonderful the 10th time as it was the first.

This is one of my favorite stories. I play it every Christmas and I give it as presents. A wonderful CD and I would recommend as a must for everyone.
