Watercolor 365: Daily Tips, Tricks And Techniques

Synopsis

A year's worth of tips, techniques, advice and more! Make watercolor a part of your daily life, turning every day into inspiration for your art. Designed to fit your life, *Watercolor 365*--the first watercolor book of its kind--provides a complete education in the medium, one bite-sized bit of information at a time. Open it daily to find a new tip, idea, technique or challenge...all aimed at getting you into the habit and mindset of an artist. Inside you'll find: 52 mini step-by-step demonstrations (like painting skin tones and adding texture) 52 Q&A's (based on questions received on social media, in workshops, and from blogs) 52 troubleshooting tips (such as how to remove masking fluid that has had too long to dry and how to lift paint) 52 bits of creative advice (such as why you should consider taking a painting holiday and keeping photographic records of your process) 52 general tips (such as basic composition and transferring images for painting) 52 definitions (clear, concise definitions of terminology, such as value and atmospheric perspective) 52 exercises to improve your artistic skills (simple lessons for techniques like glazing and mixing grays)

Leslie Redhead is an active workshop instructor, conducting watercolor workshops in Canada, the U.S. and Spain. She has a Master of Education degree in art and holds signatures with the Northwest Watercolor Society (NWWWS), Canadian Society of Painters in Water Colour (CSPWC) and the Federation of Canadian Artists (AFCA). Leslie has been featured in *Splash 10: Passionate Brushstrokes* (from the *Splash: The Best of Watercolor Series*) and *Making It! Case Studies of Successful Canadian Artists* by Chris Tyrell.

Just received my copy of *Watercolor 365: Daily Tips, Tricks and Techniques*. I am an experienced watercolourist and instructor, and I have purchased many watercolour books over the years. Mainly for learning and reference and I have to say I have found no other book like this. Adding this to my collection was a must for me. The author Leslie Redhead has written it in such a way that it includes everything you need to know to become an accomplished watercolourist. If you spend some time each day practicing the techniques, and tips she provides, and to no matter how you read this book you can learn how to work with this medium. I started right at the beginning and tended to read ahead and found myself unable to put it down:). Then I was getting so excited I jumped all around looking at the amazing paintings and reading the "Studio secrets". In some cases, it appears as though she has painted images of her supplies. Brilliant! She keeps the eyes simply wanting to drink in more. It is a beautiful book filled with tips, exercises, and ideas that I found so inspiring. It is exquisite to look at and it contains for me appears to be a lifetime of knowledge compiled into one easy to read format. It reads so well, I simply cannot say enough about this book. Thank you Leslie for writing it and for sharing your knowledge.

Great read ! Great for any level.

I just love this book. So many tips and tricks and a well of inspiration. The idea of making it a schedule wasn't needed but it's okay. Makes it easier to 'grab a daily bite'. I know I'll come back to this book over and over again as I am new to Watercolour but I bet that experienced artist will find great tricks here, too.

Great book! Good sound advice for the watercolor painter.

This book has got to be the best watercolor book I've read to date by far. The author really get to the guts of what water color is and the best way to use techniques and other goodies as tools to express yourself using this beautiful medium of watercolor.

Lots of good ideas here.

Learning and studying from this book..

A very informative book, easy to read and follow., provides inspiration.
