Customer Reviews

very nice, well packed.

I bought this item as a gift. Item cam damaged and book bent with binding bent as well. I hope this is a good book as there is no longer time to return

The music CD was completely blank.

I have mainly used the violin section, but I think it's great. The CD that comes with this book is also very helpful.

Magically musical.

My daughter loves playing songs from her favorite movies. We like having the CD with the accompaniment for her to play along with. It's a nice break for her to have some fun pieces to practice!

I love this book! I can't stop playing the songs! The "Fireworks" song is a little overwhelming at first but it's easy to get the hang of and it is so much fun to play!

Nephew loved it. Thank you
