I love this book! The author is also an artist and he has done a wonderful and inspiring job of writing Biblical scriptures from the book of Proverbs. He has used a unique writing style - along with drawings. I have a copy of this book in the guest bathroom. I have also given this book as a gift to numerous friends. It also has an attractive hard cover. Good job Tim Botts!

A proverb a day keeps the Devil away. This is a delightful way of putting some proverbs into practice

The style and simplicity of this book, PROVERBS, lies in the beautiful illustration and presentation of the age-old text. Timothy Botts has given us a beautiful addition to any library.

Beautiful calligraphy. Nice reflections on opposite page of Proverb verse. Expected to have all Proverbs, this has selected verses. Nice coffee table book - easy to read and contemplate on a verse at a time.

I had ordered 2 copies of this at various times last year and have been totally satisfied with the quality and the timeliness in shipping. One copy had pencil marks, but these were easily erased. Everything else was in great condition.

Beautiful calligraphy. I really like Timothy Botts art.

A beautifully artistic treasure! Timothy Botts is a fantastic calligrapher presenting thought-filled Proverbs as a personal uniquely written portrait. Such talent!

I loved the artwork.
