Warm Hearts Day: A Branches Book (Owl Diaries #5)

Synopsis

Pick a book. Grow a Reader! This series is part of Scholastic's early chapter book line, Branches, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! In book #5, it's almost Warm Hearts Day! Everyone is busy making gifts for their loved ones. Eva LOVES crafting, so she creates all sorts of fun gifts and treats for her friends. She is excited to give out her homemade gifts at the big party at the Old Oak Tree. But then Eva realizes she forgot to make gifts for her family! Will she be able to make the gifts in time?

Grade Level: Kindergarten - 2

Customer Reviews

Praise for Owl Diaries #1: An Best Book of 2015 -- Ages 6-8 An Best Book of the Month, January 2015 "Bright and colorful digital illustrations, large type, frequent speech bubbles and a familiar story make this accessible to emerging readers.â [This series promises to fill a niche for [new readers.] Keep flapping, Eva!" -- Kirkus "Appealing visuals (the text and art are set against the lined pages of Eva's diary), punny dialogue, a few pratfalls, and Eva's unflagging enthusiasm make for lively reading." -- Publishers Weekly "This early chapter book is a nice step between first readers and

series such as Barbara Parks's 'Junie B. Jones' and Mary Pope Osborne's 'Magic Tree House.'" -- School Library Journal "The colorful, adorable illustrations will be irresistible to young readers. The simple text interspersed with speech bubble dialogue will engage beginning and intermediate readers alike. This appealing chapter book will be a nice addition to a library's young reader section." -- Library Media Connection

Itâ™s almost Warm Hearts Day in Treetopolis! Eva is busy making special gifts for her friends. And she cannot wait to give out her gifts at the holiday party. But then Eva realizes she forgot to get gifts for some very important owls in her life! What will she do? --This text refers to the Library Binding edition.

This is an outstanding book that the author has written for ages 5 - 7 and K - 2. She is also the illustrator and the drawings are nicely done and accompany the text throughout the book. Eva Wingdale lives in Treetopolis and goes to school at Treetop Olimentary with other owlets. Her teacher is Mrs. Featherbottom and the discussion of Warm Hearts Day is filling the classroom. The origin of this day is also covered in detail. Years ago the animals were fighting amongst themselves in a snowstorm and a fairy appeared. She needed help from them to get back to Fairyland. They all worked together as a team to get her back! Lesson # 1 - working together as a team. Outstanding. And, this trait continues when making cards and cookies, as well. Thus, the little owlets are in preparation for the celebration this year. Decorating houses, giving cards and presents, wonderful food and of course, the big party at the Old Oak Tree. As one may imagine, the owlets are so excited and are in a flurry of 'egg-citing' times. All is going well until Eva remembers that she forgot the presents for her family. What will she do now? Along the way to the party, the young reader will be delighted to meet sheep, beavers and bears. And, it is with these animals that Eva and her generosity shines through. Sharing is so much more important than buying presents for others. And, giving presents fills the heart more than getting them. Lots of wonderful lessons in this one. From teamwork to sharing and loving your family. And, helping others in need is so important as is being kind to those less fortunate than yourself. Truly wonderful book for lessons to be learned and also for the illustrations. Most highly recommended.

My child loves the series of books and that includes this latest release. She devoured the entire thing at one setting. There's nothing more pleasing to a parent then to see their child excitedly to pick up a book and dash off to her room to read uninterrupted for an hour.

My 1st grader loves this series. She eagerly reads it alone or with me, and she looks forward to the next book. The books themselves are quite funny. Humor is easily understood by a grade school child, but not too cheesy for the adult.

My daughter loves the Owl Diaries. They are Owl-tastic. a wonderful fantasy world was created based off of likes and dislikes of owls. Has wholesome themes discussing friendship, school, and feelings. Overall a great story!

we just got it in the mail yesterday and its very cute. My daughter is so excited to finish reading it. These books are great for early readers! These books have also really spiked my daughters interest in owls.

My daughter found this series when she was transitioning from picture books to chapter books. She is far past these now, but still loves to read them. I cannot recommend this series enough to parents who are looking to foster this transition in their kids.

My daughters love these books! I bought the whole set and my daughter hasn't just read them once but over and over again. We can't wait for the next one. They are so cute!

I have ordered each one of these books as they are released. The pictures are lovely and the stories appropriate for the younger grades. I will continue to order the new releases.
