Turtle And Snake Go Camping (Penguin Young Readers, Level 1)

Synopsis

Turtle and Snake are going camping. Where should they put their tent? They splash through a brook, climb over some rocks, and paddle across a pond, before they find the perfect spot. But the forest is a little too scary at night. These endearing characters help beginning readers gain confidence.

Customer Reviews

PreSchool-Grade 1-Best friends Turtle and Snake check out books from the library on camping; pack their tent, sleeping bags, and backpacks; and set off-around trees, into the brook, across the pond to the campgrounds. Later, a spooky noise (an owl's hoot) startles them and they hurry back to their best camping spot-home-where they roast marshmallows in the fireplace. A truncated version of Michael Rosen's *We're Going on a Bear Hunt* (McElderry, 1989), the text has a succinct liveliness about it, and the childlike primary-colored cartoons are funny and add to the book's charm. Animals in many of the pictures are reading books-an unobtrusive message for beginning readers. Great book!

We love Kate Spohn, and wish she would right more books to continue this series! Her illustrations are fun and funny, and she conveys warmth and humor in very simple text. Turtle and Snake look wonderfully funny running away from the owl! We act out this scene in our home, and no, of course, it has not made any of us afraid of owls or camping. Turtle and Snake are hilarious.

Favorite book to take camping with us and grand.

A favorite with my grandkids.

My son loves these guys, so do I!!

The kids liked this book. We read it during our camping week this summer in my daycare. I thought it was cute that the characters chickened out while most of my daycare kids camp here in Maine. They like the story, we read it several times.

Great for very young children (under age 4).

....And simple. Perfect book for his reading level without being completely lame with no story. He loves the pics too.
