Customer Reviews

We have used these for several years at our public desk: 2 calendars displayed one above the other, 2 months at a time. It is large enough so that patrons across from us at the desk can read the dates, large enough for us to write notes in each date's square. The paper is good quality and heavy enough to write on with no bleed thru to the next month. The spiral binding makes it very easy to use. Highly recommended. Very happy that carries the Sierra Club wilderness calendar.

So excited to use this calendar! Beautiful, great quality.

simply wonderful
