Scuba Diving Hand Signals: Pocket Companion For Recreational Scuba Divers - Black & White Edition

Synopsis

Proficiency in underwater communication is not only a vital part of scuba diving training, it also makes diving a much more enjoyable and safer experience. Scuba Diving Hand Signals intends to support beginning recreational scuba divers in learning underwater communication via hand signals. More than 240 commonly used gestures are illustrated and grouped into eight categories: Common signals Problem and emergency signals Training signals Air Pressure and number signals Underwater wildlife signals Environment signals Emotion signals Miscellaneous signals Underwater wildlife signals are accompanied by QR codes that provide access to supplemental online resources.

Customer Reviews

Excellent product as described would buy from again excellent transaction thank you

Good reference book. Excellent value

perfect reference guide

very informative!

Has several hand signs for different sea animals. Is easy to read. Gave one as a gift to scuba instructor who said they learned a few new hand signals.

this is a great handbook and companion to keep in your pre-dive reference
