Germes Are Not For Sharing / Los GÃ©rmenes No Son Para Compartir (Best Behavior)

Synopsis

“Look at those feet! Aren’t they sweet?” • Yes “when they’re walking, standing, leaping, and landing. And when they’re kicking balls or leaves. But not when they’re kicking people! In simple words and charming full-color illustrations, this bilingual English-Spanish book helps toddlers learn to use their feet for fun, not in anger or frustration. It also includes tips for parents and caregivers in both languages on how to help toddlers be sweet with their feet.

Customer Reviews

“The bilingual text and diverse array of individuals that appear on the pages make this book accessible and appealing to a wide range of children.” • “Book Notes, the newsletter of the Center for Children’s and Young Adult Books, Minnesota State University, Mankato” • “Colorful . . . appealing . . . easy for children to relate to. A valuable resource for public, school, and home libraries.” • “School Library Journal” • “Teaches good health habits when sneezing or coughing, because germs are not for sharing! Kids also learn 10 good times to wash their hands, one for each finger. Large, black outlined, brightly colored illustrations decorate each page.” • “Midwest Book Review” • “These books, which are available in both board book and picture book editions, serve as wonderful tools to help children embark on their road to socialization” • “a very important component of the preschool experience.” • “Mamiverse.com --This text refers to the Paperback edition.

Help children learn, in English and Spanish, to use their feet safely for fun and play.

This little book is great for sharing with families and small children; we especially like that it is dual language.

great way to teach about germs and why it's important to keep the away. I wish they included nose picking as a way to keep germs away-but I guess that why they have a separate book for that

good book to go along with handwashing demonstration for kindergarten and preschool kids.Up to date illustrations and instruction. The picture shows the child sneezing into their arm and not their hand.

I love reading this to my class (2 1/2 - 3 yr olds). It teaches them the importance of being clean to avoid spreading germs.

This book has been great with reinforcing hand washing and my daughter covering her mouth.

Only 1 page had an incorrect translation.

Great book for Pre-K children!

Great book!
