Beauty And The Beast Arranged For Harp

Synopsis

The theme from Walt Disney's animated movie *Beauty and the Beast* (music by Alan Menken, and lyrics by Howard Ashman) has become one of the most popular songs of the 90s. Sylvia Woods has created several arrangements of this beautiful piece in one book: a simple harp solo; advanced harp solo; harp duet; and harp with flute or voice. To accommodate harps as well as vocalists with various ranges, this book includes each of the arrangements in the key of C and also the key of G. The advanced arrangements have two lever or pedal changes. Fingerings and lyrics are included.

Sylvia Woods' harp music books are among the most popular books for harpists at any level. They are playable on lever harps (also called Irish, Celtic, or folk harps) as well as pedal harps (also called concert, grand, or orchestral harps). --This text refers to the Spiral-bound edition.

Sylvia Woods is one of the leaders in the harp world. She has written over 20 books for the harp, and has made three recordings. She owns the Sylvia Woods Harp Center Store and Mail Order Catalog, selling harps, harp music books, harp recordings, and accessories.

Just what the harpist needed to play the Celine Dion version of *Beauty and the Beast* at my wedding

This lovely piece is presented in several arrangements. So far I've learned only the easy solo, but I

look forward to trying the advanced one. The piece is well suited to the harp because the notes seem to flow into one another. I have many pieces arranged by Sylvia Woods, and so far this is my favorite.

Love it, easy to play™

I love this piece. The beginners arrangement is simple to play yet sounds really beautiful

Nice arrangements. I plan to play this at an event.

If you enjoy the movie Beauty and the Beast and the music that goes along with it this is a good book to purchase. The music sounds good on the harp.
